Riva Argo 90

An aerial photograph of a vast expanse of turquoise water. Several boats are scattered across the scene: a sailboat in the upper left, a motor yacht in the upper center with a small yellow buoy nearby, a small motorboat in the upper right, a sailboat in the middle right, a small motorboat in the lower left, and a larger motor yacht in the lower center. The water's surface is textured with gentle ripples and some white foam from the boats.
